### **Clothing Measurements**

A very important part of sewing is knowing your clothing measurements! Where and how do you find these? We are here to help!

This chart is fully explained in the webcast Holiday Dressing (Nov. 24, 2014). Please refer to this webcast for complete instructions in completing this form and understanding the importance of these numbers as you sew for yourself and others.

### **Important Measurements**

1. Size of Armhole
2. Circumference of Sleeve
3. Width of Back
4. Width of Shoulder Seams
5. Cap Height
6. Bust Circumference
7. Waist Circumference
8. Thigh Circumference
9. Hipline Circumference
10. Knee Circumference
11. Hem Circumference
